SQUARE**
Coffee Co.

Welcome to Java Square

We are a family of coffee and food lovers, who want to share our passion and experiences with our customers and hopefully pass on a bit of our excitement and inspiration.

Our aim is to provide "all the best tastes in one place"

The ideas for many of the dishes have come from the things we have tasted and enjoyed, with much of the food and drink being sourced from the best local suppliers, most of which are right on our doorsteps (we even used a local roaster to help make our own coffee!).

The best bit is, everything can be taken home to enjoy again!
